

Vijayanta senior Secondary school, HVF Avadi

1. Vijayanta Senior Secondary School (VSSS) a CBSE institution was started in 1979 with an objective of catering to the educational needs of the wards of HVF and Allied Defence Estts. At present, about 1050 students are studying. The teachers are appointed based on the affiliation Bye-Laws of CBSE, which states that – “The school should pay salaries to teachers and other categories of staff regularly at least at par with the corresponding in the State Govt. School”.

VSSS is run by a Registered Society; viz. the English Medium Educational Society. A subsidy of Rs. 1.54 Lakhs was first granted in the year 1979-80 and since then, the same has been steadily increased gradually and had reached Rs. 80.00 Lakhs during 1999-2000.

When the Central Govt. had implemented the VI Pay Commission Scales of pay and allowances for its employees, the State Govt. also did fall in line with the Central Govt. Consequently, the State Govt. also implemented the VI Pay Commission with effect from 01.01.2006. Since, the salary to staff is being on par with similarly placed employees in the State Govt. Schools, the teachers of VSSS were also paid accordingly. This led to direct impact on the financial status of the school and thereafter, the subsidy requirement was increased from 2009-10 onwards. Further increase in 2013-14 as effected due to payment of retirement gratuity to teachers.

2. The Grant-in-Aid released to VSSS (EM) for the last two years is as follows –

2014-15 – Rs.319.13 Lakhs

2015-16 – Rs.245.02 Lakhs

3. Total Revenue generated by VSSS through fee from students –

2014-15 – Rs.135.70 Lakhs

2015-16 – Rs.130.63 Lakhs

4. The last revision on hike of fee/user charges was made during the year 2014-15 was an average of Rs.3250/- per student.
5. The proposal for hike in fees from students is under consideration and will be implemented during 2017-18.
